Campaign to stop violence against women

Campaign term: from Nov.12th (Sat.) to Nov.25th (Fri.)

Violence against a person should not be allowed in any case. In particular, violence against women such as domestic violence, sex crime, trafficking, sexual harassment, or stalking is increasing recently. We are launching "Campaign to stop violence against women" for raising the awareness of people to eradicate violence in Japan.

November 25th is "International day to stop violence against women". Let's join world wide campaign to end violence against women. 「Fujimino International Cultural Exchange Center」 offers shelter for victims of violence and help them. Please do not hesitate to ask us, if you have any problem such as domestic violence or stalking.
