

Let's use Library!

It's a free source of information and knowledge.

A registered card is valid in all libraries of two cities and two towns.

It's a fun to find a new interesting book at bookstore. But if you have enough time to visit a library, you can borrow any book there and save up for other purposes. Library provides you a plenty of information and knowledge of the all of the world.

If you have one card, you can use it at all libraries.

The library is a free space for all ages from children to adult. You can use the library for reading newspaper and magazine, and for children doing research project or homework. One registered card is valid in any library of Fujimishi, Kamifukuokashi, Oimachi and Miyoshimachi. You can visit any library in the district and read or borrow any book, magazine or newspaper.

How to get a registered card

Registration procedure is simple. "Application form" is available at the reception desk of the library. Fill the form and submit it to the staff. If you have any question, please ask the staff of the library.

You need to bring your identification document showing your name and address, such as foreign registration card, health insurance certificate or any other resident identification. You can get a registration card on the spot and use it on that day. Of course it is free of charge.

How many & how long

10 books in total, magazines or stories told with pictures for 15 days. (No limitation in some library. Please ask the staff about the limitations.)

Two videos, CDs or cassettes for 8 days.

How to return

Books, magazines or stories told with pictures • • • Put on the service counter of the library, branch library (Tsuruse Nishi branch, Fujimino branch or others) or book posts provided in the public facilities of the city.

Video, CD or cassette • • • Return them when library is open. You can't return it to the book post

When library is closed, you can return books, magazines or stories told with pictures to book posts outside of the library, branch library (Tsuruse Nishi branch, Fujimino branch or others) or book posts provided in the public facilities of the city.
