The Greenery day, "Midori no hi" was renamed into "the day of Showa"

To all of you, please be informed there is a new change in public holiday this year. The national holiday on April 29 was used to be called the Greenery day, "Midori no hi". It has been renamed into "Showa no hi", Showa's day since April 29 is the birthday of Showa emperor.

From this year however May 4 becomes the Greenery day, "Midori no hi". That is, the name Greenery day was shifted from April 29 to May 4. Please keep this information in your mind since May 4 is no longer weekday.

Check your liquid products when you use any international flights from Japan

From March 1, a new restriction rule for all liquid including drinks and cosmetic lotion will be applied to all international flight passengers departing from Japan. For the detailed information, all liquid should be kept in container whose capacity is less than 100ml. Plastic bag, less than 1 ℓ capacity is required to place the container. At examination, you are obliged to show the plastic bag. To avoid any trouble in advance, please refer to the below website for more information. (http://www.mlit.go.jp/)

New amendment in law From 4 January 2007, over ¥100,000 cash transfers is no longer available in ATM

Since there is a number of crimes occurred involving ATM cash transfers, financial institutions have set up limitation of transfers to cope with the crimes.

As you need to transfer over \$100,000 cash, then you have to go to bank counters with your ID such as 1) Driver's license 2) Passport 3)Health insurance card which should be presented.
