

Website of FICEC is renewed in June 2014

Input FICEC to search our website!

The website of FICEC was established in 2000. Users of the website have been increased every year since 2008, when we started to count number of access. Recently, foreigners who find our site on web surfing, applicants of volunteer, visitors, and news persons are increased.

(Number of visitors yearly)	Number of total access	Top page	Information Fujimino	Website of life guide	News site
2008	312,187	25,819	79,500	120,845	10,301
2013	443,929	40,024	167,793	113,658	23,159

14 years have passed since FICEC was established. Now many information is accumulated in the website. Now the website is rearranged so that both foreigners and Japanese can use it conveniently. Enter "FICEC" on your smartphone or PC to search the website. You can surely find the information you need.

Improvement point

- (1) The icon is joyous and easy to see and understand.
- (2) Written in English, Korea, Chinese, Spanish, Portugal, Tagalog, and easy Japanese.
- (3) You can find the information you need on the top page with easily understood design.
- (4) You can see everyday activity at FICEC with various photos on our Facebook.

FICEC will move to an office near Kamifukuoka station in the end of this July. Phone number remains the same.

**Have your health checkup every year.
A ticket to visit physician is sent to target person.**

You may think that you are fine and healthy but you should have the special health checkup once a year. This health checkup is for persons from 40 to 74 years.
